WAYNE COUNTY EMPLOYEES' RETIREMENT SYSTEM

April 2014

Directors Report

For the snowbirds who missed the Detroit Winter of 2013-14, welcome back! In case you haven't heard, January of 2014 recorded the most snow on record in the Detroit area at 39.1 inches. The below zero temperatures through January kept us all in a deep freeze. In fact, the latest snowfall, "April Fools" of 3.1 inches put Detroit in the record books for the snowiest winter in 133 years for a grand total of 98.4 inches of snow for the winter season. However, Detroiters are known for their endurance and resilience, so we survived the subzero temperatures, the record snowfall, and the unusually long winter. We looked at all of the obstacles we had overcome and have taken our place in history.

As we have been taught since we were children, there is always a ray of sunshine on the horizon (especially in Michigan). And there it was - the Detroit Tigers returning from Lakeland, Florida, ready for the official start of spring – Opening Day here in our city! And could it have gotten any better, as we were greeted with sunshine, near 60-degree temperatures, and a come-from-behind victory? Yes, it did, as only a few short weeks later our Red Wing "kids" scraped together a 23rd straight year playoff appearance. It has to inspire you when you see the grit and determination demonstrated by these young and hardworking kids.

And so our Wayne County Retirement System team has taken notice that as we, too, work together we are breeding a culture of success. Henry Ford once said, "If everyone is moving forward together, then success takes care of itself." Despite some of the roadblocks we have encountered, we continue to move forward . . . together.

Directors Report

The election for active trustee, term starting January 1, 2014 was won by Denis Martin. Denis has worked for Wayne County Department of Public Service for twenty-nine years and he is currently the Department Manager over Training and Safety. Dennis also has an extensive Union background which includes the following Offices/Positions; currently- President, AFSCME, Local1862, current-Chair, Wayne County Labor Coalition, current Chair-Region 2 PEOPLES, current Chair-Statewide Road workers Committee. Dennis' Union experience involves being the Chief Negotiator for Collective Bargaining Agreements, which included retirement issues. In addition to his work, knowledge and experience he has been married for 35 years to Yvonne with 2 children, (a son Brian, and a daughter Stephanie) and has been a Wayne County resident for 56 years, living in the Downriver area for the past 25 years.

There were five initial candidates, including the incumbent, Lorenzo Moner. I would like to extend a special thank you to Lorenzo Moner for his service to the Retirement System. Lorenzo served on the Board for 12 years and worked for Wayne County for 30 years. Mr. Moner has decided to retire effective March 1st, 2014, and WCERS would like to extend congratulation to him on his retirement.

Currently, we are in the process of a special election to fill the vacant active trustee seat of Patrick Melton, who retired in October. We will announce those results in the next newsletter.

Staff Update

We would like to congratulate Rita Williams on her promotion to Benefits Manager in the Department of Personnel. Rita worked in Retirement for five years as the Department Manager for Defined Contribution, 457 Deferred Compensation Plan, Loans and Purchases and Transfers. She will be greatly missed by the Retirement System; however, we know she will be a tremendous asset to Personnel. Congratulations, Rita! Terrilla Gee was promoted from within Retirement to fill Rita's position, and I believe she will be a great fit as she previously worked with active and retired employees on Deferred Compensation issues, as well as assisting the Deputy Director with the day-to-day operations in the Retirement Office. Nicole Hunter was promoted to the position of Department Supervisor I from her previous position of Applications/estimates. In addition, Andrea Pennington was promoted from Department Supervisor II from her previous position of Department Supervisor I. Congratulations to all.

Congratulations to Rita Williams on your promotion

Inflation Equity Fund Litigation Update

On March 5, 2014, the Michigan Supreme Court heard oral arguments on the application for leave to appeal the May 9, 2013, judgment of the Court of Appeals. I attended with Chairman, Charles Bonza. It was a unique experience watching the State's Highest Court in action. On April 1, 2014, the court issued an order granting the County's application requiring additional briefing on three specific issues: (1) an identification of the source and nature of the County's power to move funds from the Inflation Equity Fund (IEF), (2) whether the movement of IEF assets to the defined benefit plan without the corresponding offset to the County's Annual Required Contribution violates the Public Employee Retirement System Act (PERSIA), MCL 38.1132 *et seq.*; and (3) whether the movement of \$32 million in IEF assets to the defined benefit plan constitutes a "transaction" within the meaning of MCL 38.1133(8). The County's brief will be due by May 27, assuming no extensions. The Retirement System response will be due 35 days after the County files. We will continue to keep you up-dated.

Lastly, I would like to discuss the issuance of the Messenger Newsletter. You may have noticed that it has not been produced quarterly. After careful consideration and in an effort to reduce costs, we are going to a semiannual Newsletter. This will save approximately \$9,500 on printing and mailing costs per year. If you would like to know who has retired or passed on, you can find this information in our monthly minutes. The minutes can be found at www.wcers.org, click on the public meetings tab and scroll down the page, select the meeting date you would like to read. You will find more than two years of minutes available to you. Many other items can be found on our website, including Annual Actuarial Valuations, Audited Financials, Frequently Asked Questions, Retirement meeting schedules, as well as past Newsletters and forms. Also, if you have not already signed up for Direct Deposit or if you are still getting your Direct Deposit pay stub in the mail, please fill out the form to begin receiving it even faster – electronically!
