

CHAPTER 7 – FREEDOM OF INFORMATION ACT POLICY

SECTION 2:701 - PURPOSE.

(1) To establish formal policies, procedures and guidelines with respect to requests made pursuant to the Michigan Freedom of Information Act (“FOIA”), Public Act 442 of 1976, MCL § 15.231 *et seq.*

SECTION 2:702 - BACKGROUND.

(1) The FOIA was enacted to provide for public access to certain public records of public bodies within the State of Michigan. The Wayne County Employees’ Retirement Commission (“Retirement Commission”) is a public body subject to the provisions of the FOIA.

(2) Section 2(2) of the FOIA (MCL § 15.231(2)) reads:

It is the public policy of this state that all persons, except those persons incarcerated in state or local correctional facilities, are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and public employees, consistent with this act. The people shall be informed so that they may fully participate in the democratic process.

(3) The Retirement Commission is not required to create a document or list it does not otherwise maintain.

SECTION 2:703 – SUMMARY.

(1) The Retirement Commission is vested with the authority for the general administration, management and operation of the Retirement System. As a public body subject to the requirements of the Michigan Freedom of Information Act, Public Act 442 of 1976, as amended (MCL 15.231 *et seq.*) (the “FOIA”), Retirement System must records be made available to the public.

(2) Pursuant to Public Act 563 of 2014, the FOIA was amended with an effective date of July 1, 2015. In accordance with the amendments to the FOIA under Public Act 563 of 2014, the following written public summary of the Retirement System’s FOIA Policy and Procedures is provided.

(A) Submitting a FOIA Request

- (1) Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the Retirement System must be submitted in writing.
- (2) No specific form to submit a written FOIA request is required; however, a FOIA Request Form is available for your convenience on the Retirement System’s webpage available at: <http://www.wcers.org>

CHAPTER 7 – FREEDOM OF INFORMATION ACT POLICY

- (3) A FOIA request must sufficiently describe a public record so as to enable the Retirement System to find it.
- (4) Written requests may be made by mail addressed to the Retirement Commission of the Wayne County Employees' Retirement System, 28 West Adams, Suite 1900, Detroit, Michigan 48226; requests may also be submitted online at wcers.org.

Note: If you are serving a sentence of imprisonment in a local, state or federal correctional facility you are not entitled to submit a request for public records under the FOIA.

(B) Responding to Requests

- (1) Within 5 business days of receipt of a FOIA request the Retirement System will issue a response. If a request is submitted by e-mail the request is deemed to have been received on the following business day. E-mail requests delivered to the FOIA Coordinator's spam or junk-mail folder shall be deemed received one (1) day after the FOIA Coordinator becomes aware of the e-mail request, and such dates shall be noted in any response provided.
- (2) The Retirement System will respond to your request in one of the following ways:
 - a. Grant the request;
 - b. Deny the request, in writing;
 - c. Grant the request in part and issue a written notice denying the request in part;
 - d. Issue a notice indicating that due to the nature of the request the Retirement System requires an additional 10 business days to respond; or
 - e. Issue a written notice indicating that the public record requested is available at no charge on the Retirement System's webpage.
- (3) If a request is granted, or granted in part, the Retirement System will ask that payment be made for any permissible fees associated with responding to the request before the public record is made available. If the costs of processing and responding to the request are expected to exceed \$50.00, the Retirement System will require a good faith deposit prior to processing the request. Under certain circumstances, the Retirement System may require payment of any and all fees in advance prior to processing the request.

(C) Fee Deposit Requirements

- (1) If the Retirement System has made a good faith calculation that the total fee for processing a FOIA request will exceed \$50.00, the Retirement System will require that you provide a deposit in the amount of 50% of the total estimated fee, a detailed itemization of which shall be provided upon requesting the deposit. The Retirement System's request for a deposit will also include a non-binding best efforts estimate of how long it will take to process the request upon receipt of the required deposit.
- (2) If the Retirement System receives a FOIA request from an individual or entity who has

CHAPTER 7 – FREEDOM OF INFORMATION ACT POLICY

not paid the Retirement System for fees charged in connection with a previously granted FOIA request, the Retirement System will require a deposit of 100% of the estimated fee prior to processing the request when all of the following conditions exist:

- a. the final fee for the prior FOIA request was not more than 105% of the estimated fee;
 - b. the public records made available contained the information sought in the prior written request and remain in the Retirement System's possession;
 - c. the public records were made available, subject to payment, within the time frame estimated by the Retirement System to provide the records;
 - d. 90 days have passed since the Retirement System notified the individual in writing that the records were available for pickup or mailing;
 - e. the individual is unable to show proof of prior payment to the Retirement System; and
 - f. the Retirement System has provided a detailed and itemized estimate that is the basis for the current request's increased deposit.
- (3) The Retirement System will not require the estimated 100% deposit if any of the following apply:
- a. the individual making the request is able to show proof of prior payment in full to the Retirement System;
 - b. the Retirement System is subsequently paid in full for all applicable prior FOIA requests; or
 - c. 365 days have passed since the request was made for which full payment was not remitted to the Retirement System.

(D) Calculation of Fees

- (1) A fee will not be charged for the cost of search, examination, review, and the deletion and separation of exempt from non-exempt information unless failure to charge a fee would result in unreasonably high costs to the Retirement System because of the nature of the request in the particular instance, and the Retirement System identifies the nature of the unreasonably high costs.
- (2) In accordance with the FOIA, the Retirement System may charge for the following six fee components when processing a FOIA request:
 - a. Labor costs associated with searching for, locating and examining a requested public record;
 - b. Labor costs associated with a review of a record to separate and delete exempt information from non-exempt information which is disclosed;
 - c. The costs of computer discs, computer tapes or other digital or similar media when the request asks for records in non-paper physical media;

CHAPTER 7 – FREEDOM OF INFORMATION ACT POLICY

(3) Labor Costs

- a. All labor costs will be estimated and charged in 15 minute increments with all partial time increments rounded down.
- b. Labor costs will be charged at the hourly wage of the lowest-paid employee capable of doing the work in the specific fee category, regardless of who actually performs the work.
- c. If the Retirement System does not employ a person capable of separating and deleting exempt from non-exempt information, contracted labor costs will be charged at an hourly rate not exceeding an amount equal to 6 times the state established minimum hourly wage rate.
- d. Labor costs will also include a charge to cover or partially cover the cost of fringe benefits.

(4) Non-paper Physical Media

- a. The cost for records provided on non-paper physical media, such as computer discs, computer tapes or other digital or similar media will be at the actual and most reasonably economical cost for the non-paper media.
- b. This cost will only be assessed if the Retirement System has the technological capability necessary to provide the public record in the requested non-paper physical media format.

(5) Paper Copies

- a. Paper copies of public records made on standard letter (8 ½ x 11) or legal (8 ½ x 14) sized paper will not exceed \$0.10 per sheet of paper. Copies for non-standard sized sheets will reflect the actual cost of reproduction.

(3) The Retirement System will waive the fee for a nonprofit organization requesting public records which meets all of the following conditions:

- a. the organization is designated by the State under federal law to carry out activities under the Developmental Disabilities Assistance and Bill of Rights Act of 2000, Public Law 106-402, and the Protection and Advocacy for Mentally Ill Individuals Act of 1986, Public Law 99-319, or their successors;

CHAPTER 7 – FREEDOM OF INFORMATION ACT POLICY

- (4) If you believe that the fee charged by the Retirement System to process your FOIA request exceeds the amount permitted by state law, you must first submit a written appeal of the fee charged to the Retirement Commission. The appeal must be in writing, specifically state the word “appeal”, and identify the basis for contesting the fee charged.
- (5) Within 10 business days after receiving the appeal, the Retirement Commission will respond in writing in one of the following ways:
 - a. Waive the fee;
 - b. Reduce the fee along with a written determination of the basis supporting the remaining fee;
 - c. Uphold the fee with a written determination indicating the basis for upholding the fee; or
 - d. Issue a notice extending the time to respond by not more than 10 business days.
- (6) Within 45 days of receipt of the Retirement Commission’s determination on the appeal of the fee charged you may commence a civil action in the Wayne County Circuit Court for a fee reduction.
- (7) Appeals received by the Retirement Commission are not considered received until the first regularly scheduled meeting of the Retirement Commission following submission of a written appeal.

SECTION 2:704 – POLICY.

(A) Policy and Principles

The people shall be informed so that they fully participate in the democratic process.
- (2) The Retirement System’s policy with respect to FOIA requests is to comply with State law in all respects and to respond to FOIA requests in a consistent, fair, and objective manner.
- (3) The Retirement System acknowledges that it has a legal obligation to disclose all non-exempt public records in its possession pursuant to a valid written FOIA request. The Retirement System further acknowledges that sometimes it is necessary to invoke the exemptions identified under the FOIA and other applicable law in order to ensure the effective operation of government and to protect the privacy of individuals.
- (4) The Retirement System will protect the public's interest in disclosure, while balancing the requirement to withhold or redact portions of certain records including, but not limited to those records containing personal and private information of members and beneficiaries of the Retirement System.

CHAPTER 7 – FREEDOM OF INFORMATION ACT POLICY

SECTION 2:705 – GENERAL ADMINISTRATION.

(A) FOIA Coordinator

- (1) The Retirement Commission, acting pursuant to the authority at MCL 15.236, designates the Pension Coordinator as the Retirement System's FOIA Coordinator. He or she shall be the individual responsible for processing all FOIA requests received by the Retirement System and approving all denials under the FOIA in consultation with the Retirement Commission's legal counsel.

(B) FOIA Requests

- (1) All FOIA requests shall be submitted in writing and directed to the Retirement Commission of the Retirement System. The request must sufficiently describe a public record so as to enable Retirement System personnel to identify and find the requested public record. No specific form to submit a request for a public record is required. However the Retirement Commission has approved and made available a FOIA Request Form for use by the public (FOIA Form-1).
- (2) Written requests for public records may be submitted to the Retirement System in person or by mail directed to the Retirement Commission. Requests may also be submitted electronically by facsimile and e-mail. Requests for Retirement System records that are addressed to the County of Wayne will not be processed. Requests addressed to the Retirement Commission or Retirement System that are received by County personnel shall be promptly forwarded to the FOIA Coordinator for processing.
- (3) If a request for a public record is received by facsimile or e-mail, the request is deemed to have been received on the following business day. If a request is sent by e-mail and delivered to a spam or junk-mail folder, the request is not deemed received until 1 day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note both the date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator became aware of the request.
- (4) A person may request that public records be provided on non-paper physical media, electronically mailed or other otherwise provided to him or her in lieu of paper copies. The Retirement System will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.
- (5) A person who makes a verbal, non-written request for information believed to be available on the Retirement System's webpage, where practicable and to the best ability of the Retirement System representative receiving the request, shall be informed of the pertinent website address.
- (6) The FOIA Coordinator shall keep a copy of all written requests for public records

CHAPTER 7 – FREEDOM OF INFORMATION ACT POLICY

received by the Retirement System on file for a period of at least 1 year.

SECTION 2:706 – PROCESSING A FOIA REQUEST.

(A) Responding to a FOIA Request

- (1) Within 5 business days of receipt of a FOIA request the Retirement System will issue a response, unless otherwise agreed to in writing by the person making the request. The Retirement System will respond to the request in one of the following ways:

 - e. Issue a written notice indicating that the public record requested is available at no charge on the Retirement System's website.
- (2) If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available. The FOIA Coordinator shall provide a detailed itemization of the allowable costs incurred to process the request to the person making the request (FOIA Form-2). If the cost of processing a FOIA request is \$50 or less, the requester will be notified of the amount due and where the documents can be obtained.
- (3) If the estimated cost of processing a FOIA request is expected to exceed \$50, or if the requester has not fully paid for a previously granted request, the Retirement System will require a good-faith deposit before processing the request. In making the request for a good-faith deposit the FOIA Coordinator shall provide the requester with a detailed itemization of the allowable costs estimated to be incurred by the Retirement System to process the request and also provide a best efforts estimate of a time frame it will take the Retirement System to provide the records to the requester upon receipt of the required deposit (FOIA Form-3). The best efforts estimate shall be nonbinding on the Retirement System, but will be made in good faith and will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.
- (4) The Retirement System shall provide reasonable facilities and opportunities for persons to examine and inspect public records during normal business hours. The FOIA Coordinator is authorized to promulgate rules regulating the manner in which records may be viewed so as to protect Retirement System records from loss, alteration, mutilation or destruction and to prevent excessive interference with normal business operations of the Retirement System.
- (5) The FOIA Coordinator shall, upon written request, furnish a certified copy of a public

CHAPTER 7 – FREEDOM OF INFORMATION ACT POLICY

record to the person requesting the public record.

- (6) A webpage link to a copy of this Policy and Procedures shall be provided to with the response to all written requests for public records.

 - b. A certificate that the requested record does not exist under the name or description provided by the requester, or another name reasonably known by the Retirement System; or
 - c. An explanation or description of the public record or information within a public record that is separated or deleted from the public record; and
 - d. An explanation of the person's right to submit an appeal of the denial to either the Retirement Commission or seek judicial review in the Wayne County Circuit Court; and
 - e. An explanation of the right to receive attorneys' fees, costs, and disbursements as well actual or compensatory damages, and punitive damages of up to \$1,000, should the requester prevail in Circuit Court.
 - f. The Notice of Denial shall be signed by the FOIA Coordinator.
- (2) If a request does not sufficiently describe a public record, the FOIA Coordinator may, in lieu of issuing a Notice of Denial indicating that the request is deficient, seek clarification or amendment of the request by the person making the request. Any clarification or amendment will be considered a new request subject to the timelines provided under the FOIA.

(D) Exceptions

- (1) When the privacy interests of Members, Participants, beneficiaries, and/or retirees outweigh the public's right to information, such information shall not be disclosed in response to FOIA requests.
- (2) It is recognized that the Retirement Commission may grant certain service providers promises of confidentiality for trade secrets and/or commercial or financial information as allowed by applicable law; such information may not be disclosed in response to FOIA requests.

SECTION 2:707 – FEES.

(A) Generally

(1) A fee will not be charged for the cost of search, examination, review and the deletion and separation of exempt from nonexempt information unless failure to charge a fee would result in unreasonably high costs to the Retirement System because of the nature of the request in the particular instance, and the Retirement System specifically identifies the nature of the unreasonably high costs.

- b. Fully note the charge reduction in the Detailed Itemization of Costs Form (FOIA Form-2).

(C) Fee Deposits

- (1) If the fee estimate is expected to exceed \$50.00 based on a good-faith calculation by the FOIA Coordinator, the requester will be asked to provide a deposit not exceeding one-half of the total estimated fee.
- (2) If a request for public records is from a person who has not fully paid the Retirement System for copies of public records made in fulfillment of a previously granted written request, the FOIA Coordinator will require a deposit of 100% of the estimated processing fee before beginning to search for a public record for any subsequent written request by that person when all of the following conditions exist:
