## Voluntary Non-Matching Contributions

$\square$ I am requesting to make voluntary, non-matching contributions to either Defined Contribution Plan 4, Hybrid Plan 5 or Hybrid Plan 6 of $\$$ $\qquad$ flat dollar amount of my bi-weekly retirement eligible wages.
$\square$ The voluntary, non-matching contribution is an after-tax contribution which investment earnings are taxed as ordinary income at the time of withdrawal. Alternatively, WCERS offers a Roth 457 option which is an after-tax contribution where all investment earnings are tax free upon withdrawal after 5 years and age 59 1/2. This Roth after-tax option is only available in the Wayne County Deferred Compensation Plan, requiring a separate election in that plan. I understand the taxable implications of selecting the voluntary non-matching contribution and would still like to contribute to the voluntary non-matching contribution component of the Plan.
$\square$ I am requesting to stop voluntary, non-matching contributions to Defined Contribution Plan 4, Hybrid Plan 5 or Hybrid Plan 6.

## Authorization

I certify that the information above is accurate and complete. I authorize Wayne County Employees' Retirement System to process my Defined Contribution request according to the instructions above.
