

## Questions and Answers:

Q: “For education, we will provide broad education to participants, written and in open meetings, as well as education for the Retirement Commission and staff. We will provide educational materials and investment fund summaries to individual participants. However, legally we are prohibited from providing one-on-one advice. We will coordinate with the platform provider to provide individual participant education. Does this disqualify our firm from this RFP?”

A: No, this does not disqualify a firm from this RFP.
